

# 1,000 Sakura

Na: Kale Hannahs & Yoko Koike

Ha ga mai ochiru  
Kogoe souna kaze  
Ai o miushinau  
Uta no youni  
Mune ni hibiku

Tsumetai ame ga furu  
Nani mo kikoe nai  
Kurayami wa kodoku de  
Kimi o kanji nai  
Ai ga kieru

## 1st Chorus

Demo shitte iru yo  
Haru ga kuru  
Hi ga, nobori  
Yuki wa tokeru  
Tori tachi wa utau  
Kibou ni afureru, uta de  
Kodoku wa saru  
Soshite boku wa shirudarou  
Kizu ga ieru koto o  
1,000 sakura ga  
Futatabi saku toki

The leaves flutter down  
In a chilling wind  
Losing sight of love  
It echoes in my heart  
Like a song

The cold rain falls  
I can't hear anything  
The darkness is lonely  
I can't feel you  
I can't see love

## 1st Chorus

But I know  
Spring is coming  
the sun rises  
The snow will melt  
The birds will sing  
With a song full of hope  
Loneliness will leave  
And I will know  
That wounds will heal  
When a 1,000 sakura blossoms  
Will bloom again

Hana ga saku yōni  
Ai ga hiraite iku  
Uta ni tsutsumare te  
Kanji hajimeru  
Ai wa koko ni

Tadayou hanabira  
Ai ga furi sosogu  
Hanabira no kazu dake  
Kisu o suru tabi  
Ai wa sodatsu

## 2nd Chorus

Dakara shitte iru yo  
Haru no hi ni  
Hikari, ga sashi  
Yuki wa tōkeru  
Tori tachi wa utau  
Yorokobi afureru, uta de  
Kodoku wa saru  
Soshite boku wa shirudarou  
Kizu ga ieru koto o  
1000 sakura ga  
Futatabi saku toki

Like a flower blooming,  
Love opens up  
Enveloped in a song,  
I begin to feel  
Love is here

Drifting flower petals  
Love pours out  
As many petals  
As she kisses  
Love grows

## 2nd Chorus

That's why I know  
In the spring sun  
Light shines  
The snow will melt  
The birds will sing  
Joyful songs  
The loneliness will leave  
And I will know  
That wounds will heal  
When a 1,000 sakura blossoms  
Will bloom again

# 1,000 Sakura

Na: Kale Hannahs & Yoko Koike

葉が舞い落ちる 聞こえそうな風 愛を見失う 歌のように 胸にひびく

冷たい雨が降る 何も聞こえない 暗闇は孤独で 君を感じない 愛が見えない

## **1st Chorus**

でも知っているよ 春が来る

日が昇り

雪は溶ける 鳥たちは歌う 希望にあふれる歌で 孤独は去る そして僕は知るだろう 傷が癒ることを 1000の桜が 再び咲くとき

花が咲くように 愛が開いていく 歌に包まれて 感じ始める 愛はここに

ただよう花びら 愛がふりそそぐ 花びらの数だけ キスをするたび 愛は育つ

## **2nd Chorus**

だから知っているよ 春の陽に

光が射し

雪は溶ける 鳥たちは歌う 喜びあふれる歌で 孤独は去る そして僕は知るだろう 傷が癒ることを 1000の桜が 再び咲くとき
