Where are you  
My maile lei of the forest  
I go to look for you  
On the uplands of Lanihuli  
Huli to me my sweetheart,  
Let's come back together

I follow the sweet fragrance  
Of my heavenly lei, the one i desire  
A sweet voice beckons to me/my heart  
The sweet singing of the kāhuli  
Huli to me my sweetheart,  
Let's come back together

We meet at Hi'ilanwai  
The tingling cold waters that moisten the skin  
The renown beauty of Kāne'ohe  
Placed on the blue green cliffs  
Huli to me my sweetheart,  
Let's come back together

A refrain of my sweetheart, the one i reminisce  
My lei maile of the forest  
I go to look for you  
In the uplands of Lanihuli  
Huli to me my sweetheart,  
Let's come back together
